Libby wood chips- We are working on letter responses to Baucus and Rehberg, and have a phone call briefing for Tester tomorrow afternoon.

We will be doing further sampling and analysis of the wood chip pile as a result of community concerns. HQ including Lisa Jackson, Mathy Stanislaus have our most recent talking points and information on this issue.

Yellowstone Response- Things are going well. Environmental samples for air and water have shown no concerns for organic contaminants(non detects). Jim Martin and Carol Rushin are up there today. Carol Campbell will be deploying up there this afternoon, as Carol Rushin demobilizes.

Carol / Martin,

Diane Thompson has a meeting this afternoon and is asking for any updates on the Yellowstone Response and the Libby wood chips issue. Can you provide this morning please?

Mike
